

# Horseback Riding

## Recommended Clothing List

1. Pair of blue jeans (shorts are not allowed on horseback rides).
2. Baseball cap ( A cowboy hat is also usable, but it must have a stampede string.\*)
3. Boots or shoes with a definite heel or sneakers, but no hiking boots. (Cowboy boots with a riding heel are strongly recommended for safety and for lower leg/ankle protection)
4. Light jacket or sweat shirt.
5. Rain Gear (For comfort we recommend a “Gore-Tex” parka to be both for rain and warmth.)
6. Gloves (Leather trucker style)
7. Long-sleeved shirt for sun protection.

\* A stampede string is an under-the-chin cord that keeps a broad brimmed hat from flying off.
